# 2 INSTRUCTIONS TO BIDDERS (ITB)

## *2.1 Important Note:*

2.1.1 The procurement shall be under a framework contract between the PDS&CEA head office and the successful bidder. The contractor will deliver and install the Goods at Daanish Schools (Boys & Girls) Mankera and Tuansa.

2.1.2 Intended bidders shall apply for tender online through **EPADS portal www.punjab.eprocure.gov.pk.** Hard copies of the technical and financial bids will also be submitted before the closing time of tender. Submission of hard copies only will not be accepted in compliance with policy of the Govt. of the Punjab and PPRA.

2.1.3 Bidders must ensure that they submit all the required documents indicated in the Bidding Documents without fail. Bids received without undertakings, valid documentary evidence, supporting documents and the manner for the various requirements mentioned in the Bidding Documents may be rejected at the initial stage itself. The valid documentary evidences as detailed hereinafter should be submitted by the Bidder for preliminary and detailed examination.

2.1.4 The financial bids found technically non-responsive shall be returned un-opened to the respective bidders as under:

2.1.3.1 If technically disqualified bidder states that he is agreed with the decision of the purchaser and he is not filing any grievance against the decision.

2.1.3.2 If the bidder files grievance petition and the same is rejected by the grievance redressal committee.

2.1.3.3 The time for filing the grievance has lapsed.

2.1.3.4 The contract has been signed by the purchaser with the lowest evaluated bidder.

2.1.5 The lowest evaluated bidder shall be awarded the contract.

## *2.2 Bidding Details*

2.2.1 All bids must be accompanied by Bid Security in the form of CDR/Demand Draft in favor of **"PDS-CEA SECURITY DEPOSIT A/C".** The completed bids must be delivered into the Tender Box placed in the Conference Room of Punjab Daanish Schools & Centers of Excellence Authority Office, Lahore.

2.2.2 In case the date of pre-bid meeting and / or the last date of bid submission/opening falls in/within the official holidays, the date for pre-bid meeting and/or submission/opening of the bids shall be the next working day.

2.2.3 The bidder shall submit bid complying with the Bidding Document. Alternative bids shall not be considered. The attention of bidders is drawn to the provisions of this tender document **Clause** regarding **"Determination of Responsiveness of Bid"** for making their bids substantially responsive to the requirements of the Bidding Documents.

2.2.4 It will be the responsibility of the Bidder that all factors have been investigated and considered while submitting the Bid and no claim whatsoever including those of financial adjustments to the contract awarded under this Bid Process will be entertained by the Purchaser. Neither any time schedule, nor financial adjustments arising thereof shall be permitted on account of failure by the Bidder.

2.2.5 The Bidder shall be deemed to have satisfied itself fully before Bid as to the correctness and sufficiency of its Bids for the contract and price/ cost quoted in the Bid to cover all obligations under this Bid Process.

2.2.6 It must be clearly understood that the Terms and Conditions and Specifications are intended to be strictly enforced. No escalation of cost except arising from increase in quantity by the Bidder on the demand and approval of the Purchaser will be permitted throughout the period of completion of the contract.

2.2.7 The Bidder should be fully and completely responsible for all the deliveries and deliverables to the Purchaser under this contract.

2.2.8 All sorts of notices either to or from the purchaser and the bidder / contractor for any purpose shall be in writing. The same shall be issued within reasonable time either through email or by registered post / courier.

2.2.9 Bidders are also required to state, in their proposals, the name, title, contact number (landline, mobile), fax number and e-mail address of the bidder's authorized representative through whom all communications shall be directed until the process has been completed or terminated.

2.2.10 The Purchaser will not be responsible for any costs or expenses incurred by bidders in connection with the preparation or delivery of bids.

# 3 TERMS AND CONDITIONS OF THE TENDER

## *3.1 Definitions*

# 5 CONDITIONS OF CONTRACT

### *5.1 Contract*

Immediately on receipt of acceptance letter, the successful Tenderer shall arrange the Stamp Paper for signing of the contract provided in the tender documents. The Tenderer shall sign and date the Contract and return it to the Purchaser.

### *5.2 Contract Duration*

The Contract duration shall be for current year ending on 30th June, 2026 or until the completion of work.

### *5.3 Standards*

The Goods supplied under this Contract shall conform to the authoritative latest industry standards.

5.3.1 Inspections of the manufacturing units, where required, can be undertaken at any time.

5.3.2 Laboratory tests, whenever applicable, may be conducted at the expense of the contractor.

5.3.3 Necessary certifications may be asked for and examined to conform to standards.

### *5.4 Delivery*

5.4.1 The contractor shall deliver the Goods within **60 days** of the issuance of the purchase orders. However, with mutual agreement this period can be shortened.

5.4.2 However, this period may be extended by the purchaser on his sole discretion upon a written request of contractor.

5.4.3 The Contractor shall provide the required Goods as is sufficient to prevent the damage or deterioration during storing and transit to their final destination as indicated in the Contract.

5.4.4 The Goods shall remain at the risk and under the physical custody of the Contractor until the delivery and taking over of the Goods is completed.

5.4.5 The Contractor shall ensure that the Goods shall be delivered complete and as per schedule of delivery.

5.4.6 The Contractor shall ensure to get signed “Delivery Challan” from Purchaser Representative upon successful deliveries.

### *5.5 Satisfactory Report*

The Purchaser will issue Satisfactory Reports to the Contractor upon successful completion of delivery of goods and after due verification /checking/counting etc. of the goods keeping in view the nature of goods, which the Contractor is liable to provide in consideration of this Contract.

### *5.6 Payment*

5.6.1 The Contractor shall provide separate breakup of item wise goods in the invoice.

5.6.2 The Purchaser shall pay the amount verified to the contractor. Payment shall not be made in advance and against partial deliveries and until Satisfactory delivery report is issued by the Purchaser.

5.6.3 All payments shall be subject to any and all taxes, duties and levies applicable under the laws of Pakistan.

### *5.7 Price*

The Contractor shall not charge prices for the Goods supplied and for other obligations discharged, under the Contract, varying from the prices quoted by the Contractor in the Price Schedule.

### *5.8 Contract Amendment*

5.8.1 The Purchaser may at any time, by written notice served to the Contractor, alter or amend the contract for any identified need/ requirement in the light of prevailing rules and regulations.

5.8.2 The Contractor shall not execute any Change until and unless the Purchaser has allowed the said Change, by written order served on the Contractor.

5.8.3 The Change shall constitute part of the obligations under this Contract, and the provisions of the Contract shall apply to the said Change.

5.8.4 No variation in or modification in the Contract shall be made, except by written amendment signed by both the Purchaser and the Contractor.

### *5.9 Assignment / Subcontract*

5.9.1 The Contractor shall not assign or sub-contract its obligations under the Contract, in whole or in part, except with the Purchaser's prior written consent.

5.9.2 The Contractor shall guarantee that any and all assignees/ subcontractors of the Contractor shall, for performance of any part/ whole of the work under the contract, comply fully with the terms and conditions of the Contract applicable to such part/ whole of the work under the contract.

### *5.10 Extensions in time for performance of obligations under the Contract*

If the Contractor encounters conditions impeding timely performance of any of the obligations, under the Contract, at any time, the Contractor shall, by written notice served on the Purchaser, promptly indicate the facts of the delay, its likely duration and its cause(s). As soon as practicable after receipt of such notice, the Purchaser shall evaluate the situation and may, at its exclusive discretion, without prejudice to any other remedy it may have, by written order served on the Contractor, extend the Contractor's time for performance of its obligations under the Contract.

### *5.11 Liquidated Damages*

If the Contractor fails to provide the required Goods as is sufficient to prevent the damage or deterioration of Goods during storing as indicated in the Contract, the Purchaser may either deduct the amount from the Contract Price or the contractor shall pay the purchaser the amount equal to the original cost of the damaged/lost Goods due to any reason e.g. Accident, rain, damage and theft etc.

If the Contractor fails to provide any item within delivery time, 0.1 % penalty may be imposed for that particular item per day, upto the maximum of 10% of contract value.

### *5.12 Blacklisting*

If the Contractor fails/ delays in performance of any of the obligations, under the Contract, violates any of the provisions of the Contract, commits breach of any of the terms and conditions of the Contract or found to have engaged in corrupt or fraudulent practices in competing for the award of contract or during the execution of the contract, the Purchaser may without prejudice to any other right of action/ remedy it may have, blacklist the Contractor.

### *5.13 Termination for Default / Insolvency*

5.13.1 If the Contractor fails/ delays in performance of any of the obligations, under the Contract/ violates any of the provisions of the Contract/ commits breach of any of the terms and conditions of the Contract the Purchaser may, at any time, without prejudice to any other right of action/ remedy it may have, by written notice served on the Contractor, indicate the nature of the default(s) and terminate the Contract, in whole or in part, without any compensation to the Contractor. Provided that the termination of the Contract shall be resorted to only if the Contractor does not cure its failure/ delay, within fifteen working days (or such longer period as the Client may allow in writing), after receipt of such notice.

5.13.2 If the Purchaser terminates the Contract for default, in whole or in part, the Purchaser may procure, upon such terms and conditions and in such manner as it deems appropriate, Goods, similar to those undelivered, and the Contractor shall be liable to the Purchaser for any excess costs for such similar Goods. However, the Contractor shall continue performance of the Contract to the extent not terminated.

5.13.3 Similarly, if the Contractor becomes bankrupt or otherwise insolvent, the Purchaser may, at any time, without prejudice to any other right of action/ remedy it may have, by written notice served on the Contractor, indicate the nature of the insolvency and terminate the Contract, in whole or in part, without any compensation to the Contractor.

### *5.14 Force Majeure*

5.14.1 For the purpose of this contract "Force Majeure" means an event which is beyond the reasonable control of a party and which makes a party's performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances, and includes, but is not limited to, War, Riots, Storm, Flood or other industrial actions (except where such strikes, lockouts or other industrial are within the power of the party invoking Force Majeure), confiscation or any other action by Government agencies.

5.14.2 The Contractor may not be liable for liquidated damages, blacklisting for future tenders, if and to the extent his failure/ delay in performance/ discharge of obligations under the Contract is the result of an event of Force Majeure.

5.14.3 If a Force Majeure situation arises, The Contractor shall, by written notice served on The Purchaser, indicate such condition and the cause thereof. Unless otherwise directed by The Purchaser in writing, The Contractor shall continue to perform under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

### *5.15 Dispute Resolution through Mediation and Arbitration*

5.15.1 The Purchaser and the Contractor shall make every effort to amicably resolve, by direct informal negotiation, any disagreement or dispute arising between them under or in connection with the Contract.

5.15.2 If, after thirty (30) working days, from the commencement of such informal negotiations, the Purchaser and the Contractor have been unable to amicably resolve a Contract dispute, either party may, require that the dispute be referred for resolution by arbitration by one or more arbitrators selected in accordance with mutual consultation. The place for arbitration shall be Lahore. The award shall be final and binding on the parties.

### *5.16 Penalty*

In case the supplied goods are not found as per the given specifications during the inspection / laboratory tests, the purchaser will reserve the right to demand replacement of objected items or impose penalty with the approval of purchase committee as deemed appropriate in the light of observed / reported deviation.

### *5.17 Recovery Mechanism*

Any excess payment made to the contractor inadvertently or otherwise, under the contract or on any account whatsoever, and any other sum found to be due to the government by the contractor in respect of this contract, or any other contract, or work order, or on any account whatsoever, maybe deducted from any sum whatsoever payable by government to the contractor, either in respect of this contract or any work order or contract, or on any other account by any other department of the government; or recovered from the contract or as "Arrears of Land Revenue".

### *5.18 Warranty*

Contractor shall be responsible for warranty for a period of six (6) months from the date of delivery and installation and amount of performance guarantee will be released on the successful completion of warranty period.

# 6 ANNEXURES

**Annexure-A**

**To be submitted with technical proposal**

**FORMAT FOR COVERING LETTER**
**On Official Letterhead of the bidder**

**To**
**Manager Procurement**
**PDS&CEA, Lahore**

**Subject:** **Submission of Tender for 4x CCTV Camera Setups (Single Lot)**

Dear Sir,

**a)** Having examined the tender document and Annexures we, the undersigned, in conformity with the said document, offer to provide the said goods and services on terms of reference to be signed upon the award of contract for the sum indicated as per Price Schedule.

**b)** We undertake, if our proposal is accepted, to provide the goods and services comprise in the contract within time frame specified, starting from the date of issuance of purchase order from the purchaser.

**c)** We agree to execute a contract in the form to be communicated by the Purchaser, incorporating all agreements with such alterations or additions thereto as may be necessary to adapt such agreement to the circumstances of the standard.

**d)** We understand that you are not bound to accept a lowest or any bid you may receive, not to justify for rejection of any bid and that you will not defray any expenses incurred by us in biding.

**e)** It is certified and undertaken that the information furnished here in and as per the document submitted is true and correct and nothing has been concealed or tampered with. We have gone through all the conditions of tender and are liable to any punitive action for furnishing false information/ documents.

# Table of Specifications of CCTV Camera Setups

**To be submitted with technical proposal**

**Single Lot (CCTV Security Equipment)**

| Sr. # | Item Name | Specifications |
|---|---|---|
| 1 | 4MP IP IR Bullet Camera | HIK Vision or equivalent<br>4 Mega Pixel, HD real time video<br>Image Resolution: 2048 x 1536<br>3D DNR/DWDR & BLC, IR LED 30 Meter, Supports Night Vision, Bracket Included, image setting, IP66,<br>Power supply:12 VDC+ 10%, POE (802.3af) |
| 2 | 4MP IP Camera | HIK Vision or equivalent<br>4MP high resolution, HD real-time video<br>Image Resolution:2048 x 1536, DWDR & 3D DNR,<br>EXIR illuminators: up to 80m, IP66, POE, Bracket included |
| 3 | 2MP PTZ | HIK Vision or equivalent<br>1/2.8” Progressive scan CMOS 1080P Full HD resolution<br>30x / 20x optical zoom, 16x digital zoom<br>Up to 100m IR distance<br>True day/night, 3D DNR, Digital WDR<br>3D intelligent positioning<br>24VAC / High-POE Power Supply |
| 4 | 32 Channel NVR | HIK Vision or equivalent<br>Third-party network cameras supported<br>Up to 5 mega pixels resolution recording HDMI and VGA output at up to 1920x1080P resolution<br>32-ch network cameras can be connected with 50MB Incoming bandwidth<br>1 SATA interface Support network detection including network delay, Packet loss |
| 5 | LED Perimeter Security Light 50 Watts | Sogo, Pak Lites or equivalent<br>LED, 50 Watts |
| 6 | LED Perimeter Security Light 100 Watts | Sogo, Pak Lites or equivalent<br>LED, 100 Watts |
| 7 | LED Screen/TV 40” | LED 40 “<br>Eco Star, Haier, TCL or equivalent<br>Resolution - 1920x1080 (Full HD)<br>A-Grade panel reduces the amount of light scattering in the matrix, which gives IPS its characteristic wide viewing angles and good color reproduction. Smoother On-Screen movement with Motion Engine<br>PC Input<br>HDMI x 2, USB x 1 |
| 8 | 12U Rack | Height: 12U (24.1" / 612mm)<br>Weight Capacity: 250 lbs.<br>Depth: 22.9" (582mm)<br>Usable Depth: 22.5" (572mm)<br>Width: 23.5" (597mm)<br>Rails: 19" EIA. |
| 9 | Extension Lead for Field | Copper Wire<br>Minimum Wire Length 3 meters<br>Minimum 4x Three pin Sockets |
| 10 | 5 Port POE 250M | 5*10/100Mbps auto-negotiation ports, port1 to port4 support IEEE802.3 at/af PoE standard IEEE 802.3, IEEE 802.3u, IEEE 802.3x, IEEE 802.3af, IEEE 802.3at, RJ 45 connection |

| Sr. # | Item Name | Specifications |
|---|---|---|
| 11 | 8 Port POE Switch | 8*10/100/1000Mbps auto-negotiation ports, support IEEE802.3 at/af PoE standard IEEE 802.3, IEEE 802.3u, IEEE 802.3x, IEEE 802.3af, IEEE 802.3at, RJ 45 connection |
| 12 | 24 Port Gigabit Switch with SFP port | CISCO or equivalent<br>Standards and Protocols<br>802.3 10BASE-T Ethernet<br>802.3u 100BASE-TX Fast Ethernet<br>802.3ab 1000BASE-T Gigabit Ethernet<br>802.3z Gigabit Ethernet<br>802.3x flow Control<br>802.1p Priority<br>802.3az, Energy Efficient Ethernet.<br>Ports: 24-port Compact Gigabit Switch with 2 SFP Ports<br>LED Indicators: System / PWR, Link / Activity, 100M, * Gigabit, *.<br>Power: 100-240VAC, 50-60 Hz, internal, universal.<br>Operating Temperature: 32 ° to 104 ° F (0 ° to 40 ° C).<br>Certifications: UL (UL 60950), CSA (CSA 22.2), CE mark, FCC |
